OR

I/We will give a single donation of \$ _____ to the ministry of the Parish.

Single donations or gifts will be forwarded with a receipt.

Supporting the Parish financially

Please continue to think about how you can contribute to the Parish for our ongoing ministries. If you plan to commit to a regular donation, please let us know as this helps with planning and budgeting. Weekly, fortnightly or monthly donations on a regular basis are essential to the everyday ministry of the Parish.

How to contribute?

Option 1 - A *regular deposit via bank transfer* helps us meet the ordinary bills of the parish. This means that even when you are not able to be present at worship you are still supporting the Parish. Please put your name in the relevant field so we can acknowledge your contribution. Your support is strictly confidential and is only known by our recorder Mr Pete Wild.

Direct payment to the Parish ministry account: Account name: Parish Giving: BSB: 703-122 Account number: 05004666. These details are also on the response sheet.

Option 2 You can set up your regular giving through the Anglican Development Fund. Please indicate this option on your response sheet and the appropriate form will be forwarded to you.

Option 3 *Regular donation envelopes*. We maintain a system of regular giving through envelopes put in the collection plate. Envelopes are now available so please see Peter Wild or Fr Greg or indicate on the response form.

After giving this matter your prayerful reflection, please indicate your financial support to the Parish for the next twelve months by completing the enclosed response form in the addressed envelope and return to the Parish via mail or in the offertory next Sunday.

Ongoing support for the Parish can also continue through the open plate and a new tap credit card facility will also soon be available.

If you have any questions about donating to the Parish please do not hesitate to contact our recorder Mr Pete Wild peterwild1957@gmail.com or speak to Eugene in the Parish Office – office@stpeters.org.au or 0401 826 325
